Mommy & Me dance classes are for children 1 year of age to 3 years. Music, creative movement, balance, tumbling, and the basic dance steps are introduced in a fun, friendly and positive manner. This type of class includes mom or dad or another loved one participating in the class along with the little dancer. Our teachers will keep the music and curriculum moving along while parents take an active role in encouraging, supporting and keeping the little dancer on track. This program is geared to help develop motor skills, musicality and self-confidence.
